

**EXPRESS BASE - SHINY COVER**

Additional Information

Description:

Imagine a gel polish base that not only strengthens and improves the structure of the nail but also adds an irresistible shine! **Express Base – Shiny Cover** was created for those who want more than just a simple base – it offers resistance, flexibility, and a radiant finish.

With an elastic and extra-strong formula, this medium/thick-consistency base allows extensions up to 2mm, disguises imperfections, and ensures a perfect apex, all with incredible shine incorporated.

- Base with incorporated glitter – Luminous nails effortlessly.
- Quick and easy application – Ideal for efficient, high-quality work.
- Easy to level – Smooth and uniform finish.
- Maximum resistance and durability – Keeps nails flawless for weeks.
- Compatible with Top Color, Gel Polish, and Gel – Versatility for any technique.

Risks and Precautions:

For professional use only.

Avoid contact with skin and eyes.

Discontinue use if irritation occurs.

In case of contact with eyes, rinse thoroughly with water.

Keep out of reach of children.

Directions for Use: Brush onto gel or acrylic nails and cure under UV lamp for 2 minutes or LED lamp for 1 minute. Times may vary depending on the devices/lamps used and their power. Do not touch the surface for approximately 1 minute after curing. The dispersion layer does not need to be removed.

Note: The product is sensitive to UV radiation. Do not expose to sunlight or UV light.
