

**ACRYGEL IN THE BOTTLE****Cover, Cover Peach, Pink, Rosé Natural, Milky, Clear**

Additional Information

Description:

Acrygel In the Bottle combines the strength of traditional acrygel with the convenience and practicality of a brush-on bottle. With a fluid texture that is easy to apply, it is ideal for quick techniques and strong structures — no spatula, no waste, no complications.

With 6 versatile shades and a flawless finish, **AIB** delivers control in application and firmness in structure — everything a demanding nail designer looks for.

Risks and Precautions:

For professional use only.

Read the instructions carefully before use.

May cause an allergic reaction.

Discontinue use if irritation occurs.

In case of contact with eyes, rinse thoroughly with water.

Keep out of reach of children.

Directions for Use:

1.Prepare the natural nail.

2.Apply a thin layer of Acid Primer and let dry for a few seconds.

3.Apply the first (base) layer of **Acrygel In the Bottle**, spreading evenly. Cure under LED/UV lamp for 60 seconds.

4.Apply the builder layer, adding the required amount to create the structure and curvature of the nail. Cure again for 60 seconds.

5.File and shape as desired, leaving the surface smooth and even.

6.Finish with the desired color or apply Top Coat directly and cure for another 60 seconds.

For extensions, use **Acrygel In the Bottle** with paper forms, following the same process and adapting the structure to the desired length.
