EXPRESS BASE - MILKY WHITE

Additional Information

Description:

Express Base – Milky White has a classic and elegant milky shade. This version offers uniform and natural coverage. The formula is self-levelling and highly resistant, ensuring a faster and more precise service.

Maintaining the recognized quality and efficiency of the Express Base line, this new version was designed for those who seek personalization without complication — ideal to elevate your work with versatility and sophistication.

Risks and Precautions:

For professional use only.

Avoid contact with skin and eyes.

Discontinue use if irritation occurs.

In case of contact with eyes, rinse thoroughly with water.

Keep out of reach of children.

Directions for Use: Brush onto gel or acrylic nails and cure under UV lamp for 2 minutes or LED lamp for 1 minute. Times may vary depending on the devices/lamps used and their power. Do not touch the surface for approximately 1 minute after curing. The dispersion layer does not need to be removed.

Note: The product is sensitive to UV radiation. Do not expose to sunlight or UV light.

Ingredients: Aliphatic Urethane Acrylate, Hydroxypropyl Methacrylate, Isobornyl Acrylate, Hydroxycyclohexyl Phenyl Ketone. +/- CI 77891, CI 47000, CI 77491, CI 42090, CI 77499.

Capacity: 9ml/ 10ml
