Description:

Developed with an innovative formula reinforced with more acrylic polymer, **Pro Expert Polygel** guarantees exceptional adhesion, superior resistance, and professional-level performance in nail building.

It is part of an exclusive collection with 6 essential shades — each created to provide versatility, ideal coverage, and long-lasting results.

Risks and Precautions:

For professional use only.

Avoid contact with skin.

Read the instructions carefully.

Discontinue use if irritation occurs.

Avoid contact with eyes.

In case of contact, rinse thoroughly with water.

Keep out of reach of children and animals.

Directions for Use:

1.Prepare the natural nail.

2.Apply a primer: Acid Primer, Bonder, Ultra Bonder, or gel primer (Haftgel).

3.Remove a small amount of product from the tube with a spatula and place it on the nail.

4.Shape the bead of product with the help of Smooth Liquid or Cleaner, using the same tapping technique as acrylic until the desired shape is achieved.

5.Cure under lamp.
